The background is a dark purple gradient with various celestial elements. At the top, there are several stars in light purple and yellow, some with dashed lines indicating motion. A thick, horizontal, wavy purple brushstroke is positioned above the main text box. The main text box is a dark purple rectangle with a thin white border. Below the text box, there are several light purple circles of varying sizes, resembling planets or moons. A thick, horizontal, wavy purple brushstroke is also positioned below the text box. The bottom of the image features a light purple gradient with more stars and planets.
